Rev. Fr. Abbot, Dom Benedict,

Trusting in your respect for the dead,
I make this request with sincerity of
heart.

Any Mass to be said for the repose of
my soul be a dialogue Mass.

However, if at any time a Mass of
joyous celebration is ever composed for
those who enjoy the only life, life eternal,
disregard this request.

Confident of your love in Jesus Christ,
be this not revealed to anyone till He take me
Home.

In Jesus Christ, your brother,
Brother Man Eugene
